INTERNATIONAL ACCOUNTING RATES. Concluded that there is no evidence that the interconnection of end user private lines at U.S. carriers' central offices has had an adverse impact on the FCC's international settlement policies and required any carrier that interconnects an international private line to the U.S. PSN to report annually on their arrangements. (CC Docket No. 90-337 by Third NPRM and Order on Reconsideration [FCC 96-160] adopted April 9, 1996, by the Commission)
